(Lakshadweep Information Technology Services Society)
Kavaratti – 682 555

F.No. 2/2/IT-2004 (VOL-6) Part

Dated: 19.04.2016

Circular

Sub: Island Wide OFC FTTN Network at Kavaratti-General Instruction- Reg.

Ref: F.No. 12/2/2012-LITSS-VOL-III Dated: 11.11.2015

The Lakshadweep Information Technology Services Society (LITSS) has completed the project "Island Wide Area FTTN Network" to connect departments of UTL Administration through OFC at Kavaratti. The implementation phase of the project has been completed and inaugurated on 14th Jan 2016.

This Department comes to noticed that, despite circular issued by Secy. (IT) dated 11.11.2015, some departments are turning the Network switch off after office hours and which may cause the network issue at the other offices connected in the same ring.

Therefore, you are requested to kindly share the Single Point of Contact (SPOC) details, with 2 alternate names, from the each department's office site to be contacted at any emergency situation during office/non-office hours. The SPOC would need to be able to provide access to the OFC device(s)/L2 Switch(s) etc. to LITSS/FMS team even during non-office hours.

It is requested that the names may be shared by 26-04-16 5pm to lak-dit@nic.in with a copy marked to anshad.p@nic.in.

(Puneet Kumar Patel)

DIRECTOR (IT)

To.

1. All the Head of the Departments (HoD's)

Copy to:

1. P.A to Hon'ble Administrator, UTLA for kind information.
2. P.A to Secretary (IT) for kind information.
3. LSWAN FMS
